

KPMG is hiring!

Junior in Audit in our offices in Sarajevo and Banja Luka

KPMG is an equal opportunity employer and values diversity in its workforce, encouraging applications from all qualified individuals. We've benefited greatly from fostering an **environment of authenticity**, driving allyship and sharing our lived experiences —truly encouraging KPMG people to **come as they are**.

Position requirements

- University Degree, or the last year of studies in Economics, with focus on **Audit / Accounting / Finance / Management / Business** or similar related field;
- Fluent in **English**; other languages would be an asset;
- Excellent spoken and written **communication skills**;
- Strong **analytical and quantitative skills** with an eye for detail;
- High level of **financial, legal and IT** awareness;
- Excellent **organizational skills** and **multitasking**;
- The highest level of **personal integrity**.

We offer:

- employment for definite term with a possibility of permanent employment;
- a structured career plan;
- internationally recognized training and professional development (ACCA qualification program);
- access to extensive trainings to sharpen your technical accounting and auditing skills;
- an opportunity to work with a young and friendly team in a dynamic and high performance culture;
- a wide variety of clients and engagements in Bosnia and Herzegovina and the region;
- an attractive compensation package;
- opportunity to grow your professional network and make valuable connections.

Job description:

- Confirming that the organization's record of its cash balances agrees with the bank's record
- Checking that the organization owns the fixed assets (such as buildings, machinery, computers and cars) that it includes in its accounts
- Helping to ensure that the list of the organization's suppliers is complete
- Attending a stock-take to observe the organization's methods of recording stock
- Test-counting a sample of the company's stock items
- Recording and testing the organization's processes and controls
- Helping in preparation of the final accounts, reports that summarizes the key issues that have come to light during the audit, and recommends potential improvements to the client's systems, business processes and controls.
